List school and community activities, including offices held and awards received. (Brief Statement)

_____
_____
_____
_____
_____

- Write an essay (250 word minimum, 500 word maximum) on your goals for your engineering education. For example, the type of degree you plan to pursue and engineering major. Also, describe your areas of interest in the field of engineering, and why you have these interests. (Please use space provided on back and attach extra pages if necessary)
- In addition, a copy of your full transcript must be included as part of the application materials. It can be sent separately and DOES NOT need to be an official (stamped original) copy.
- Incomplete applications or applications received after the deadline will not be considered.

The information given above is complete and accurate to the best of my knowledge. I understand that misrepresentation of facts on this application will be cause for refusal of NSC scholarship awards. I also understand this application will not be processed until I have signed on the line below.

_____ _____
Signature Date

Essay: Engineering Education and Career Goals
