NOMINATION OF GOVERNMENT GUESTS

The National Space Club is in strict compliance with the "Ethical Standards of Conduct for Employees of the Executive Branch," which became effective on February 3, 1993 (5 CFR Part 2635). Government guests will be invited by the NSC through their respective Government legal offices. Companies may submit a list of recommended guest nominations for consideration; however, final selection of Government guest nominees will be made by the Legal Office.

All table assignments and seating of guests are made by the NSC, and as in all NSC events, seating of Government guest is done on a random basis. Direct contact between NSC members or other aerospace companies and DOD/NASA guests is NOT permitted. The NSC will contact anyone who does not obey these codes of conduct and will inform the government employee that he/she is in violation of the code of conduct. To assure the most efficient service for you and your guest nominees, you must follow these procedures:

1. Submit nominations on the attached Guest Nomination Form. Please type and provide FULL information on each guest nominee; nicknames are very confusing and can lead to errors in guest assignments. Please confirm correct mail codes with your nominee.

NOTE: NOMINATION DOES NOT GUARANTEE INVITATION AS ALL GOVERNMENT GUESTS MUST BE APPROVED BY THEIR LEGAL OFFICE. Your nominated guest, if approved by the Legal Office, may or may NOT be seated at your table.

2. Indicate the total number of tables you have reserved (this should match your registration form).

The final deadline for all Government guest nominations is August 6, 2010. You may reserve corporate tables through October 8, 2010 and individual seats through October 15, 2010.
